

# LEADS

## Spring 2022 Classes

---

### **CLAS 2600-001: LEADS Colloquium**

Are you interested in setting goals for what you hope to accomplish during your time at UNC Charlotte and learning how LEADS can support you? Would you like to create a personalized plan to enhance your professional development throughout your time at UNC Charlotte? Would you like to exercise innovative thinking through identifying problems that matter to you and developing creative plans for causing action? Do you want to develop critical competencies that will be important for your continued success at UNC Charlotte and throughout your career? If so, this class is for you!

- Instructor: Katie Hibbard
- CLAS 2600-002, CRN 27546, 1 credit hour
- Open to freshmen and sophomores only
- Class meets face-to-face weekly on Tuesdays from 11:30 - 12:45pm

### **CLAS 3000-001: Making an Impact: Ideas to Action**

Do you want to make an impact in the world? Have you ever thought you had a great idea but weren't sure how to translate your idea into action? Are you interested in learning what entrepreneurship really means (hint: it's not just about creating businesses)? Would you like to learn how cultivating an entrepreneurial mindset can benefit you throughout your personal and professional life? If so, this class is for you!

LEADS is partnering with Ventureprise to offer this unique class that provides support and mentorship as you learn how you can make an impact in the world. We will provide the tools you need to successfully transition your ideas to action. You even have the chance to compete to win cash and other great prizes by participating in 49er Impact during the semester! This class is for anyone who is interested in making an impact, whether you already have an idea you want to develop or simply want to explore the possibilities.

- Instructors: Laura Smailes and Jennifer Warner
- CLAS 3000-001, CRN 27265, 2 credit hours
- Open to students with sophomore or higher standing
- Class meets face-to-face weekly on Tuesdays from 2:30 - 4:30pm

### **CLAS 3000-003: Sports and Social Justice**

Are you interested in learning how sports and sport organizations can be used as a vehicle for social justice and global change? Do you want to learn about social justice in sports, including the influence of gender, economics, and geography within sport organizations? Are you interested in learning how sports leadership principles can be applied to your personal leadership toolkit? Would you like to explore how sports can be used to address social and organizational dilemmas and lead to positive impacts on society? If so, this class is for you!

- Instructor: Dr. Bryan Patterson
- CLAS 3000-003, CRN 27624, 1 credit hour
- Open to students with sophomore or higher standing
- This is a first half term course (session runs January 10 - March 2)
- Synchronous online class meetings are Wednesdays from 10:10am - 12:00pm

### **CLAS 3000-002: Ethical Leadership**

Are you interested in learning how the principles of ethical leadership can benefit you personally and professionally? Do you want to gain tools that can help resolve conflict and improve decision making in the context of conflicting values? Would you like to create a personalized action plan for approaching personal, societal, and organizational leadership dilemmas? If so, this class is for you!

- Instructor: Dr. Bryan Patterson
- CLAS 3000-002, CRN 27622, 1 credit hour
- Open to students with sophomore or higher standing
- This is a first half term course (session runs January 10 - March 2)
- Synchronous online class meetings are Mondays from 10:10am - 12:00pm

### **CLAS 3000-004: Addressing Climate Change Through Innovative Thinking**

Are you interested in exploring ways to create positive change related to global climate change? Would you like to be part of conversations that consider the many variables that impact our ability to take action on climate change including, but not limited to, public perception, impacts of misinformation and disinformation, politics, economics, education, environmental equity, ethics, and more? Would you like to use creativity and innovation to develop and implement your own unique plan for addressing a topic related to climate change? If so, this class is for you!

- Instructor: Dr. Jennifer Warner
- CLAS 3000-004, CRN 27626, 3 credit hours
- Open to students with sophomore or higher standing
- Class meets face-to-face on Tuesdays and Thursdays from 11:30am - 12:45pm

### **CLAS 3000-006: LEADS Internship with Community Partners**

Are you interested in working on a unique project with a community partner organization while gaining internship experience? If so, this class is for you! This internship experience has a class component where you will develop the necessary framework to address the problem you will be working on with our internship partner organization. Partner organizations vary by semester. All interested students should contact Dr. Warner ([jmwarner@uncc.edu](mailto:jmwarner@uncc.edu)) to inquire about available organizations and to learn about the required interview process.

- Instructor: Dr. Jennifer Warner
- CLAS 3000-006, CRN 27547, 3 credit hours
- Open to students with sophomore or higher standing
- Requires interview and instructor permission
- Meeting times will be coordinated with the instructor and partner organization.

### **CLAS 4800-001: LEADS Capstone Project**

This class is restricted to seniors, who have completed all other requirements for the LEADS certificate in Leadership, Innovation, Technology, and Diversity.

- CLAS 4800-001, CRN 27547, 3 credit hours
- Contact Dr. Warner ([jmwarner@uncc.edu](mailto:jmwarner@uncc.edu)) for permission to register
- Class meets face-to-face weekly on Tuesdays from 10:00 - 11:30am
