

Certificate Program in **Leadership, Innovation, Technology, and Diversity**

**NEW FOR FALL 2024!**

LEADS classes have new course prefixes beginning in Fall 2024. All sections are cross-listed under **CHES** (College of Humanities & Earth and Social Sciences) and **COSC** (College of Science). When registering, select the prefix that corresponds with the college of your major department.

LEADS classes taken under the CLAS prefix still count towards the LEADS certificate
